The Hudson Bay Route Association is a nonprofit organization that advocates for the continued use of the Hudson Bay Railway and the Port of Churchill. We have been in existence since 1944 and our members include rural and urban municipalities in Manitoba and Saskatchewan, as well as numerous individuals and businesses.

The Hudson Bay Route Association board of directors passed a resolution to endorse the initiative of the Canadian Northern Corridor Group. We look forward to working with the University of Calgary School of Public Policy on this important project.
